Workforce, Economic, and Community Development (WECD) offers workforce development courses, training, and programs for the community, including custom designed programs for employers. We serve business and industry, individuals seeking employment, skills development, credentialing, or career training; and lifelong learners looking to enrich their lives. Continuing education may be in the form of credit or non-credit courses, online courses, or other formats such as workshops, assessments, and on-the-job training.

WECD provides oversight of the Dalton IDEA Center in Uptown Martinsville. The center is a one-stop entrepreneurial education and technology center, anchored by the Fab Lab.

If you are interested in a program or course listed in this catalog, or have a request for one that isn’t, please contact us at (276) 656-0260 or wecd@patrickhenry.edu.

Change your future in weeks. Not years.  
Look for the that represents our FastForward programs.  

FastForward is short-term training that leads to industry credentials based on the needs of local employers, which means students are in demand for skilled jobs when they graduate.  

FastForward is helping Virginians get the jobs they want and the salaries they need. While funding lasts, pay one-third or less on the cost of tuition on FastForward Programs.  

FastForward programs take between 6 and 12 weeks to complete.  

Look for the that represents our FastForward programs.  

Questions about our FastForward programs:  
Alyssa Hawley, FastForward Coach  
276.656.0354  
ahawley@patrickhenry.edu  

Tuition Assistance for Workforce Programs  
Grant Funding and Scholarships may be available for eligible students.

BUSINESS & PROFESSIONAL DEVELOPMENT

MANAGEMENT BOOTCAMP: FROM GOOD TO GREAT!
A good employee is valuable to any organization. Often a GOOD employee is the person who takes initiative, meets goals and deadlines, comes early and stays late, and does whatever is needed to drive results. When promotion opportunities arise, the company has no hesitation in making the GOOD employee the newest leader/manager/supervisor. This workshop provides the GOOD employee with various tools and resources to enable the GOOD employee to become a GREAT leader/manager/supervisor.

Wed, April 1-29, 8:00 AM-12:00 PM (Patrick County Site)
$379.99

4L’s: LADIES, LEADERSHIP, LUNCH, & LEARN SERIES
Wednesdays have now become WOMENSdays! Every 3rd Wednesday join us for lunch and enjoy a different topic and speaker who will present topics relevant to ladies who lead. Each session grants participants opportunities to elevate their minds, mobilize their passions, and become catalysts for shaping the perception of the various ways Ladies Lead.

Wed, Jan. 15- Natalie Hodge, “Discovering the ‘I’ in Team: Self-Identity,” 11:00 AM-1:00 PM, $30
Wed, Feb. 19- Rhonda Hodges, “Turning Lemons into Lemonade,” 11:00 AM-1:00 PM, $30
Wed, April 15, 11:00 AM-1:00 PM, $30
Wed, May 20, 11:00 AM-1:00 PM, $30
Wed, June 17, 11:00 AM-1:00 PM, $30
Special Promotion: Buy 3 seats, get 1 FREE!

COMPUTERS & TECHNOLOGY

BOOT CAMP: COMPUTERS FOR BEGINNERS
This Boot Camp will provide beginning computer users with an overview of windows, Microsoft Office, email, and the internet. In the five sessions, students should move from novice to proficient user. Even proficient users may gain some tips on how to do things differently on their PC, tablet, or laptop.
Instructor: Teresa Harkness
Tues & Thurs, March 3-17, 5:30-8:30 PM, $75

MICROSOFT WORD 2016
In this 15-hour course, students will start with the fundamentals of Microsoft Word, creating documents, using templates, and discovering edit features that will increase their knowledge of the software.
Instructor: Teresa Harkness
Tues & Thur, March 24-April 7, 5:30-8:30 PM, $75

MICROSOFT EXCEL 2016
In this 15-hour course, students will start with the fundamentals of Microsoft Excel, creating spreadsheets and charts, advancing to formulas, and discovering time-saving features that will increase their knowledge of the software.
Instructor: Teresa Harkness
Tues & Thur, April 14-30 (no class 4/16),5:30-8:30 PM, $75

INTRODUCTION TO MICROSOFT OFFICE 2016 SUITE
This course is designed to teach the new and experienced user alike how to use the many features of Microsoft Office Suite – Word, Excel, PowerPoint and Access. This course is beneficial for individuals who are hoping to increase their value in the workplace and for companies that are interested in boosting employee productivity and efficiency.
Instructor: Teresa Harkness
Wed, May 27-June 24, 9:00 AM-12:00 PM, $175
Thurs, July 9-Aug. 6, 9:00 AM-12:00 PM, $175 (Patrick Co. Site)
CULINARY ARTS

SERVSAFE MANAGER TRAINING
The ServSafe® program is developed by the National Restaurant Association with the help of food service industry experts who face the same risks you do every day. You will gain manager food safety knowledge, such as how to handle food sanitation risks and prevent foodborne illness, and how to train employees in food sanitation.

This course helps prepare you to earn your ServSafe Food Protection Manager Certification, which is accredited by the American National Standards Institute-Conference for Food Protection. ServSafe training and certification is recognized by more federal, state and local jurisdictions than any other food safety certification.

Student will earn certification upon successful completion of online assessment. Training materials and electronic test voucher included in cost.

Instructor: Terri Alt
Mon & Fri, March 9 & 13, 9:00 AM-4:30 PM, $150
Mon & Fri, May 11 & 15, 9:00 AM-4:30 PM, $150

HEALTH & WELLNESS

CERTIFIED NURSE AIDE TRAINING
Teaches basic care skills with emphasis on physical, social, emotional, and spiritual needs of patients. Covers procedures, communications and interpersonal relations; observations, charting and reporting; care planning, safety and infection control; anatomy and physiology, nutrition and patient feeding; ethics, death and dying. Prepares multi-skilled health care workers to care for patients of various ages with special emphasis on geriatric nursing, home health, and long and short-term care facilities.

Training also includes an additional 21 hours of Job Readiness. Students who meet strict attendance requirements and successfully complete the academic, lab, and clinical components will be eligible to apply for the Virginia Board of Nursing exam.

Prerequisites: Students must take the English VPT and score on ENF level 2. Tuition does not include cost of program required drug screen and background check. Scrubs and appropriate footwear provided.

Ask about RSVP.
Mon, Wed, & Thurs, Jan. 8-April 6, 4:15-8:15 PM
Job Readiness meets Tues, Jan. 21-March 3, 6:00-9:00 PM
Clinicals meets Mon, Wed, Thurs, & Sat, March 21-April 6
4:15-8:15 PM/Sat 6:45 AM-3:45 PM
$2,076 Full Price, $692 FastForward Price

CERTIFIED BILLING AND CODING SPECIALIST W/ MICROSOFT OFFICE
Prepares candidates for a career in the fast-growing field of healthcare information management. Students learn to translate medical procedures, diagnoses, and/or symptoms into ICD-10 codes to submit claims for reimbursement to insurance companies. Successful candidates earn Certified Billing and Coding Specialist and Microsoft Office Specialist credentials that set them apart from their peers.

Instruction includes: Medical Terminology for Coders; Intro to HIPAA; MOS Word 2016; MOS Excel 2016; Medical Billing and ICD-10 Coding; CPR, and Job Readiness. GED or HS diploma required.

Ask about RSVP.
Mon-Thurs/Every other Sat, Feb. 3-June 24
6:00-9:00 PM/9:00 AM-3:30 PM
Pursuit of Happiness Workshop, Tues & Thurs,
Jan. 7-30, 6:00-9:00 PM
Job Readiness meets Mon, April 6-27, 6:00-9:00 PM
$3,435 Full Price, $1,145 FastForward Price
HEALTH & WELLNESS

CERTIFIED CLINICAL MEDICAL ASSISTANT
This short-term training program prepares students for the National Healthcareer Association Certified Clinical Medical Assistant Exam. Certified Clinical Medical Assistants (CCMA) are multi-skilled healthcare practitioners competent in both clinical and administrative procedures. CCMA's interview patients, measure and record vital signs, prepare exam rooms, clean and sterilize medical equipment, and administer injections and topical and oral medications.

Program requires: Instruction in CCMA, CPR and Job Readiness. GED or HS diploma required. Students not holding a valid CPR certification may be required to pay an additional cost. Ask about RSVP.

Tues & Thurs/Every other Sat, Feb. 4-June 2
6:00-9:00 PM/9:00 AM-3:30 PM
Pursuit of Happiness Workshop, Tues & Thurs,
Jan. 7-30, 6:00-9:00 PM
Job Readiness meets Mon, April 6-May 18, 6:00-9:00 PM
$3,000 Full Price, $1,000 FastForward Price

CERTIFIED PHLEBOTOMY TECHNICIAN
This training program introduces students to basic medical terminology, anatomy, physiology, components of health care delivery and clinical laboratory structure. The program teaches techniques of specimen collection, specimen handling, and patient interactions.

Program includes: 90 hours of instruction; 21 hours of job readiness; and a clinical internship. GED or HS diploma required. To be eligible for the clinical rotation, students must successfully complete the classroom portion, pass a thorough background check, drug screening and meet other requirements. Tuition includes the supplies, textbooks, NHA prep packet and assessment fee. Additional cost to student: required CPR certification, background check, drug screen, TB test and immunizations. Ask about RSVP.

Tues & Wed, Jan. 28-June 23, 2020, 6:00-9:00 PM
Pursuit of Happiness Workshop, Tues & Wed, Jan. 17-Sept. 1
6:00-9:00 PM/9:00 AM-3:30 PM
Job Readiness meets Mon, April 6-May 18, 6:00-9:00 PM
Internship, June 1-Aug. 30
$1,884 Full Price, $628 FastForward Price

REGISTERED MEDICATION AIDE
The 68-Hour Registered Medication Aide program prepares individuals who want to work in assisted living facilities. RMA training includes: basic pharmacology, the five rights to medication administration, proper techniques for preparation, administering or assisting the client with self-administration of oral and topical medications, guidelines for the storage of medication, knowledge and skills in relation to legal and ethical issues, blood glucose tests and how to administer insulin, and a highly structured, supervised training experience in an assisted living facility.

Program Requires: Students must be 18 years or older. Students must take the English VPT and score on ENF level 2. Students must have successfully completed one of the following to enroll: Virginia Board of Nursing 120-hour Nurse Aide Training, an approved 40-hour Department of Social Services Direct Care Staff Training, or a personal care assistant training. Additional costs to student: exam registration fee, exam fee, TB test, drug screen, background check, CPR, navy blue scrubs, and appropriate footwear. Ask about RSVP.

Clinical, Fri & Sat, July 10-11, 7:00 AM-3:30 PM
$669 Full Price, $223 Fast Forward Price

INDUSTRY, TRADES, & MANUFACTURING

NCCER HVAC LEVEL I
The increasing development of HVAC (heating and air-conditioning systems) technology causes employers to recognize the importance of continuous education and keeping up to speed with the latest equipment and skills. This 9-module course prepares students for the first level of NCCER's four-level curriculum, which is North American Technician Excellence (NATE) recognized. Students will learn theoretical and practical skills essential to succeed as an HVAC installer or technician, offering training in Math, Basic Electricity, Heating, Cooling, Air Distribution Systems, and Piping. Pre-requisite: NCCER CORE Certification. Ask about RSVP.

Tues & Wed, Jan. 28-June 23, 2020, 6:00-9:00 PM
$1,698 Full Price, $566 FastForward Price
ELECTRICAL GROUNDSMAN TRAINING

Under the supervision of the linemen, a groundsman performs a variety of tasks in the construction, maintenance, and repair of electrical distribution and transmission lines and equipment. Groundsman training is the first step towards a career as an electrical lineman. Must have valid driver’s license. HS diploma or GED not required. Certifications earned: NCCER Core, OSHA 10 T&D, Basic Work Zone, Flagging, and CPR/First Aid. Preparation for the CDL Class A learners permit included. Offered in partnership with Wytheville Community College.

Patrick County Site
Mon-Thurs, March 16-April 9, 8:00 AM-4:30 PM
$3,600 Full Price, $1,200 FastForward Price

FOR MORE INFORMATION OR TO REGISTER, CALL (276) 656-0260 OR PH.AUGUSOFT.NET

NCCER INTRODUCTORY CRAFT SKILLS

The NCCER Core Curriculum is a prerequisite to all other Level 1 craft curriculum. Its modules cover topics such as Basic Safety, Introduction to Construction Math, Introduction to Hand Tools, Introduction to Power Tools, Construction Drawings, Basic Communication Skills, Basic Employability Skills, and Materials Handling. Completing this curriculum gives the trainee the basic skills needed to continue education in any craft area he or she chooses.

Textbooks also available in Spanish. Job Readiness required. HS diploma or GED not required. Ask about RSVP.

Pursuit of Happiness Workshop, Tues & Thurs
Jan 7-30, 6:00-9:00 PM
Job Readiness meets Tues, Feb. 4-March 3, 6:00-9:00 PM
CORE meets Wed & Thurs/Every other Sat
Feb. 5-March 26, 6:00-9:00 PM

$1,098 Full Price, $366 FastForward Price

PLC FUNDAMENTALS

Working with a PLC efficiently requires a strong familiarity with the specifics of the programming environment and languages. The students in this course will work with high-end products from Rockwell Automation/Allen Bradley. This training program will allow students to acquire hands-on experience with industrial control equipment. Realistic examples are used to motivate students to gain the skills needed to work with PLC controlled systems-which surround us in our daily lives. As a Rockwell Encompass Partner, Festo’s training is well suited for this environment.

Instructor: Daniel Edwards

Tues, Jan. 14-Feb. 11 (skip 2/4), 12:00-4:00 PM, $350

MECHANICAL SYSTEMS

The driving force behind most industrial applications is Mechanical Systems. Gears, drives, bearings, pulleys, and more are found in nearly everything that moves. The Mechanical Systems course covers the installation, use, maintenance, and troubleshooting of mechanical drive components and systems. The curriculum is divided into various topics which deal with the components encountered in industry. The learning is based on practical, hands-on tasks to build know-how in operating and maintaining these vital systems.

Instructor: Daniel Edwards

Thurs, Jan. 16-Feb. 27 (skip 2/6), 12:00-4:00 PM, $350
CERTIFIED PRODUCTION TECHNICIAN

The CPT Training Program is comprised of four (4) courses that prepare students for the Manufacturing Skill Standards Council (MSSC) Certified Production Technician (CPT) assessments. CPT is a national certification supported by the National Association of Manufacturers. Program requires Job Readiness.

Jan. 8-May 20
Job Readiness meets Mon, April 6-May 18, 6:00-9:00 PM
$2,559 Full Price, $853 FastForward Price

Courses include:

MSSC CPT: Safety
This course provides baseline knowledge and skills needed to maintain a safe and productive work environment and ensure the safe use of equipment.
Wed & Thurs, Jan. 8-30, 6:00-9:00 PM
Safety Assessment: Feb. 5

MSSC CPT: Quality Practices and Measurement
This course focuses on skills necessary to: read and interpret prints; compare measurements to prints; document quality problems; and suggest ideas for continuous improvement.
Wed & Thurs, Feb. 6-March 3, 6:00-9:00 PM
Quality Assessment: March 5

MSSC CPT: Manufacturing Processes and Production
This course focuses on skills necessary to: identify needed resources; coordinate work flow; perform and monitor process; and document product and process.
Wed & Thurs, March 18-April 9, 6:00-9:00 PM
Processes Assessment: April 15

MSSC CPT: Maintenance Awareness
This course focuses on skills necessary for production workers to: perform preventative maintenance; monitor indicators for correct operation, and recognize possible maintenance issues with electrical, pneumatic, lubrication, automation, hydraulic, and couplings.
Wed & Thurs, April 22-May 14, 6:00-9:00 PM
Maintenance Assessment: May 20

OSHA 30 FOR GENERAL INDUSTRY

The 30-hour training is targeted to supervisors or workers with some safety responsibility. Through this training, workers are more knowledgeable about workplace hazards, employee rights, and how to contribute to our nation’s productivity.
Tues & Thurs, March 10-April 9, 6:00-9:15 PM
$294.99 (textbook included)

OSHA 10 FOR GENERAL INDUSTRY

This 10-Hour program is targeted to entry level workers and covers general industry safety and health hazards. A certification card is awarded upon successful completion. OSHA student completion cards do not expire per OSHA requirements.
Thurs/Fri, June 11-12, 9:30 AM-4:30 PM/8:30 AM-3:30 PM
$80

BASIC CONTRACTOR LICENSING COURSE

This eight hour course provides a basic look at statutes and regulations governing contractor licensing in Virginia, including:
• Types of licenses available and qualifications for each
• Standards of practice
• Prohibited acts
• How to avoid violations

This course prepares participants for pre-licensure. It is intended for first-time applicants for a Class C, B, or A license and changing a business type. Upon successful completion, participants are provided a certificate of completion to be presented upon application for a contractor’s license. This course does not prepare students for the contractor licensing exam.
Instructor: Rodney Clark, Vice President, Clark Construction
Sat, Jan. 25, 8:00 AM-4:30 PM
Sat, March 28, 8:00 AM-4:30 PM
Sat, May 30, 8:00 AM-4:30 PM
$189
TRADESMAN LICENSURE RENEWAL
Journeyman, master plumbers, electricians, HVAC mechanics, and gas fitters are required by the Virginia Board of Contractors to take a pre-determined number of continuing education hours specific to their trade. Plumbers, HVAC technicians, and electricians must take three hours and gas fitters must take one hour. Each course covers code changes, general requirements, impacts on the job, and special equipment included in the respective codes. The continuing education must be completed prior to the license expiration date.

ELECTRICIAN
- Thurs, Jan. 9, 6:00-9:00 PM
- Thurs, March 12, 6:00-9:00 PM
- Thurs, May 14, 6:00-9:00 PM
- $125
- Instructor: Will Soyars

GAS FITTER
- Thurs, Jan. 16, 5:00-6:00 PM
- Thurs, March 19, 5:00-6:00 PM
- Thurs, May 21, 5:00-6:00 PM
- $65
- Instructor: Robert King, President, Piedmont Mechanical Systems

PLUMBER
- Thurs, Jan. 16, 6:00-9:00 PM
- Thurs, March 19, 6:00-9:00 PM
- Thurs, May 21, 6:00-9:00 PM
- $125
- Instructor: Robert King, President, Piedmont Mechanical Systems

HVAC TECHNICIAN
- Thurs, Jan. 23, 6:00-9:00 PM
- Thurs, March 26, 6:00-9:00 PM
- Thurs, May 28, 6:00-9:00 PM
- $125
- Instructor: Robert King, President, Piedmont Mechanical Systems

LEARN TO USE THE LASER CUTTER!
Learn how to use the Fab Lab laser cutter to cut, etch, and engrave designs in a variety of materials in this introductory class.

Using graphics software like Adobe Illustrator, you can make jewelry, decorations, phone stands, customized gifts, even business cards! With this incredibly precise tool, the possibilities are only limited by your imagination!

Covered topics include safety, operations, software, materials, and project design best practices. Upon completion of the class, students will be certified to schedule time on the laser cutter for their own projects, and will know how to use this versatile modern tool to cut and engrave intricate designs.

IDEA Center    Instructor: Christopher Wagoner
- Mon, Feb. 3-24, 5:30-7:30 PM, $104

LEARN TO USE THE SHOPBOT CNC ROUTER
Discover your creative side while making unique wood designs with the Shopbot CNC Router. During this hands-on course, you will learn the basic steps of CNC production as well as computer design software.

Covered topics include safety, operations, software, materials, and project design best practices. Upon completion of the class, students will be certified to schedule time on the Shopbot for their own projects. No prior experience or technical knowledge needed.

IDEA Center    Instructor: Christopher Wagoner
- Mon, March 2-April 6, 5:30-7:30 PM, $104

INTRODUCTION TO ARDUINO
Students learn to program an Arduino board to control everyday objects. Covered topics include safe and proper use of an Arduino, as well as how to program your Arduino. Students will learn about a wide variety of hardware and components to design and build their own innovative project with Arduino.

IDEA Center    Instructor: Christopher Wagoner
- Mon, April 13-May 4, 5:30-7:30 PM, $79

FOR MORE INFORMATION OR TO REGISTER, CALL (276) 656-0260 OR PH.AUGUSOFT.NET
INNOVATION & DESIGN

FAB LAB FAMILY DAYS
Join us for a fun, hands-on activity for the entire family in the Fab Lab! Each month we will have a featured activity to allow individuals and families the opportunity to learn fun and creative things you can do in the Fab Lab. No experience or technical knowledge needed.

CUSTOMIZE YOUR VALENTINE USING THE LASER ENGRAVER!
In February, we will be using the laser engraver to create a customized Valentine!
IDEA Center Instructor: Christopher Wagoner
Sat, Feb. 1, 10:00 AM-12:00 PM, $15

3D DOODLER PENS!
In March, come experiment with our 3D Doodler Pens - pens that let you draw sculptures and create 3D designs with the ease of using a pen!
IDEA Center Instructor: Christopher Wagoner
Sat, March 7, 10:00 AM-12:00 PM, $15

CUSTOMIZED T-SHIRTS!
In April, create your own custom designed t-shirt!
IDEA Center Instructor: Christopher Wagoner
Sat, April 4, 10:00 AM-12:00 PM, Cost: $15

FAB LAB MEMBERSHIP
Become a member of the Community Fab Lab for unlimited, exclusive access to the equipment. Make your IDEA reality today. Only those who have completed a class at the Fab Lab are eligible.

Community Membership: $30 a month

Community Fab Lab hours:
Monday-Friday, 8:30 AM-5:00 PM (Extended hours available upon request)

Machines:
Vinyl Cutter   Desktop Mill   3D Printer
CNC Router     Laser Engraver  Electronics Work Bench

MORE INFORMATION: 276-656-5461
(Business memberships are also available.)

PERSONAL ENRICHMENT

DANCE
LATIN DANCE WORKSHOP
Students learn Salsa, Bachata, Merengue, Cumbia, and Kizomba dances with intensive dance workshops covering frame, posture, lead and following technique, cross-body, and pattern combinations. Suitable for beginners, no partner necessary.
Instructor: Edgar Ornelias
Wed, March 18-April 22, 5:30-6:30 PM, $30
MOTORCYCLE BASIC RIDER COURSE
Get classroom and motorcycle operator training under controlled range conditions! Riders learn basic motorcycle operation, effective braking, obstacle avoidance, and safe riding strategies. The BRC prepares the rider for state licensing. Motorcycles and helmets provided. Student must have a valid VA driver’s license and be able to ride a bicycle.
Henry County Public Safety Center
Sessions meet Friday 6:00-9:30 PM & Sat/Sun 8:00 AM-4:00 PM
March 6-8
March 20-22
April 3-5
April 24-26
$100

MOTORCYCLE BASIC RIDER COURSE 2
Designed to assist licensed riders to improve skills in a safe environment. The course includes a brief review of basic skills, critical advanced turning and braking skills, as well as counter steering and obstacle avoidance. Motorcycles are provided or participants can use their own.
Henry County Public Safety Center
Session meets Sat, 8:00 AM-3:00 PM
April 11
April 12
$50

MSF 3-WHEEL-SIDECAR BASIC RIDER
Designed to teach riders to safely operate a three-wheeled vehicle, even if you have never ridden a motorcycle. Learn basic motorcycle operation, effective braking, obstacle avoidance, and safe riding strategies. Course consists of classroom and hands-on riding instruction on a closed course. Motorcycles and helmets provided.
Henry County Public Safety Center
Sessions meet Friday 6:00-9:30 PM & Sat/Sun 8:00 AM-3:00 PM
June 5-7
$100

TRANSPORTATION
COMMERCIAL DRIVER’S LICENSE
Students completing this program will be introduced to the concepts and hands-on training necessary to obtain a Commercial Driver’s License (CDL). Offered in partnership with Wytheville Community College and Southside Virginia Community College.
